

# SearchQuest UK Ltd Lancaster

The screenshot displays the SearchQuest UK Ltd website. At the top, there is a navigation menu with links: home, web site design, internet marketing, search engine optimisation, content manager, web site hosting, domain registration, reseller accounts, clients, contact us, technical support. The main header features the SearchQuest logo and a date of 1 October 2009. A left sidebar contains a list of services: home, web site design, internet marketing, search engine optimisation, content management, web site hosting, domain registration, reseller accounts, clients, traffic analysis, website garage, contact us, technical support, and site building. The main content area is titled 'internet marketing' and includes a paragraph about their mission to provide business website owners with solutions to increase traffic, engines and sales from their websites. It lists several services: Search Engine Friendly Website Design, Internet Marketing Consultation and SEO Training, Multiple SEO, Search Marketing, Copywriting, Link Popularity, Keyword Research, PPC Management via Google Adwords, Yahoo Search Marketing, MSN Adwords and more, Content Management, Traffic analysis, Google News, Google Analytics and Google Webmaster Tools, and W3C Accessibility and Validation. Below this is a section for 'Our Technicians' with a sub-heading 'In recent years search engine usage has become increasingly dominated by Google'. On the right side, there are three widgets: 'Customer Login' with a 'Log In Now' button, 'Google Analytics' with a 'Log In Now' button, and an 'enquiry form' with a 'Click here for a Free Website Report' button and a text box for details. At the bottom right, there is a form with fields for 'Name' and 'Telephone'.
